Want a fixed wage PLUS a percentage of profits?  
Want to work with local growers and really celebrate the best of local?

Kombu Wholefoods has purchased our very own food truck! It's a beautiful handmade-from-recycled-materials truck located in a beautiful spot just outside the store. This is a rare opportunity for a person as passionate about delicious, affordable, local and sustainable food as we are to join our team and help develop a flourishing new arm of Kombu.

The food truck is an all-equipped, self-contained kitchen. It sits on a dedicated site adjacent to our Bellingen store. It will be open for lunch six days per week, and also some evenings during functions and festival periods. It will serve the community by offering a thoughtful menu of nourishing takeaway meals made from local seasonal ingredients.

We're looking for someone with a great energy, enthusiasm, a flair for food as well as kitchen management skills in both front and back of house. You will work with the current Kombu team to:

- **Manage** all areas of the Food Truck
- **Discover** and build relationships with local farmers and suppliers
- **Inspire** your staff to provide sensational customer service
- **Maintain** the food truck's revenue, profitability and quality goals
- **Oversee** the outdoor dining area, kitchen and any other café staff

You will have a great sense of humour, a positive outlook and a passion for local food and for getting great food out there into our community. You will be someone who is able to lead as well as work as part of a team.

Our store team is a tight-knit crew, many of whom have been with us for many years. We work hard and support each other and extend this ethos to our new food truck manager and café team.

This role offers:

- Award base wage plus percentage of profits
- Ongoing training and development
- A great team working environment
- Supportive store partners and Kombu Management Team
- A fully equipped office space

If you think this is you we would love to hear from you! Please submit a cover letter and resume which covers work experience and any other life skills that could be useful in the role.
