

Part Time Team Member

We seek **one part-time team member to join our friendly team. Specific hours to be agreed to suit both parties** but will start at approximately 2 to 3 half days per week and will include regular afternoon work until 6pm. The position also includes **regular Saturday working**.

You will have significant work experience in a busy face-to-face customer service environment (ideally retail). To assist in determining if this position is suitable there are several other aspects of the work environment at Kombu to take into consideration before applying. We are looking for someone who possesses some or all of the following:

- Significant work experience in a busy face-to-face customer service environment (ideally retail)
- Ability to lead
- Self motivated
- Outgoing personality
- Great people skills
- Willingness to work at a fast pace
- Physically fit and strong
- Cool and calm in busy periods

We offer full award wages plus in-store discount.

Flexibility is important for this position – you will occasionally be asked to cover other staff due to sickness and holiday time – at these times weekly hours could be significantly higher.

If you think this is you, we would love to hear from you. Please submit a cover letter and resume to apply for this position. The resume should cover your work experience and any other life skills that could be useful in the position. The cover letter should connect your own experience with the requirements of the position. It is also an opportunity to tell us a little more about yourself - we want to work with you as well as your skills.

Please note that although this is initially a casual position we would prefer to work with someone looking for a long-term relationship with the store.

Applications close Friday 8th February 2019 at 4pm

Interviews will take place the following week.
